Welcome to Learning Pathways Preschool and Kindergarten!

We share your interest and enthusiasm in every step your child makes in developmental foundation skills that will strengthen school readiness. Children of preschool age demonstrate increased mastery of language and the ability to think symbolically and logically. They are becoming more personally and socially competent and they show curiosity and understanding of the world around them. The physical development of preschool and kindergarten-aged children enables them to move confidently through space, manage finer, more complex tasks and be more responsible to care for personal needs. As your child's teachers, we will enhance these skills by providing a rich environment with a variety of experiences within a wide range of skill levels. Our goal is to integrate play and learning so that each child in our care has a meaningful preschool and kindergarten experience tailored to meet his/her learning style, abilities and predispositions.

As a parent of a child at Learning Pathways, you will be:

- Welcomed in the classroom and school at any time.
(We ask that **Kindergarten** parents make an appointment)
- Treated with courtesy and respect.
- Informed about your child's progress.
- Informed about school events and activities.

Mission Statement

Through intentional teaching, we provide meaningful experiences for your children that will prepare them for kindergarten, first grade and later accomplishments in life.

Vision Statement

We create an extraordinary classroom for children to learn about themselves and the world around them.

Day and Hours of Operation

Monday-Friday, 6:30 a.m. to 6:00 p.m.

Ages of Children accepted for Enrollment

Students are accepted from 2 – 6 years. We recommend children be at least 2 years, 6 months.

Community Resources

If you as parents or guardians have concerns about your child's speech or language, we can refer you to a qualified Speech Pathologist.

If you as a parent or guardian have concerns about your child's social, emotional, or behavioral development, we can refer you to a qualified Behavioral Therapist.

There are several local Community Centers in our area that provide many valuable services to families with children.

- Campbell Community Center - 1 W. Campbell Ave. (408) 866-2105
- Willow Glen Community Center – 2175 Lincoln Ave. (408) 448-6400

For more Community Resources that are available in the County of Santa Clara, go to this link:

<https://www.sccgov.org/sites/bhd/info/AdultSUTSTreatmentServices/Documents/VC%20Community%20Resources%206.22.17.pdf>

New Environment Jitters / Separation Anxiety

Starting preschool is a big step for a child, and parents can play an essential role in preparing their little one for this new experience.

Here are some simple strategies to ensure a smooth transition:

- ✓ Act out the process of “going to school”. Explain the classroom routine and materials he/she will use. Tell your child she/he will have a cubby to store personal items. Discuss the playground, the teachers, classmates and friendships.
- ✓ Read books about going to preschool.
- ✓ Develop consistent early wake up and going to bed times.
- ✓ Provide your child with something new to start school with. Suggestions are a backpack, new shoes or clothing, or a lunchbox.
- ✓ Take family photos and tell your child to pick one to bring to school with him/her for the first few days of school.
- ✓ Your child may bring his or her favorite stuffed animal to sleep with during nap time if they wish.
- ✓ Visit the local library at story time to get some practice sitting with a group of children and listening attentively.
- ✓ Plan overnight stays with grandparents or other relatives and friends to help your child get used to spending time away from you and to sleeping in a different room with a different type of bed.
- ✓ Introduce routines and consistency. Some important ones are eating at the table and washing hands before eating.
- ✓ Develop self-help skills such as dressing self, feeding self, putting on shoes and socks and wiping own nose.
- ✓ Encourage your child to be a part of household chores. Allow him/her to be responsible for putting away toys, tidying up their room and taking care of possessions.
- ✓ On the drive to school, let your little one know how the day will proceed so that he/she knows what to expect.
- ✓ Through many years of experience, we have learned that a child adjusts more quickly to the classroom environment when parents leave and allow him/her to adjust without the parent’s influence.

-Strategies continued-

- ✓ When you drop your child off, calmly assure her/him that you will return at the end of the day. Keep your goodbyes short and sweet. Do not linger, as that will only make the separation more difficult for both you and your child. When parents stay for long periods of time, or day after day, transitioning takes longer, and the child's expectation is that mom or dad will be there all the time.
- ✓ Never try to sneak out the door when your child is engaged. Explain to him/her that you will be leaving, and that school is a special place for children, and you will be there as soon as the school day is done. Once your child adjusts to the new school setting, goodbyes will be much easier.
- ✓ If you are feeling anxious or sentimental about your child starting school, try not to display these emotions to your child. If your child senses these emotions from you, they will become distraught as well.
- ✓ We understand that it often takes time for young children to transition into a classroom setting. Be prepared for a few tears but stay positive so that your child does not pick up on any anxious feelings that you may have about leaving her/him.
- ✓ Give your child every opportunity to expand their vocabulary. Help them get better at expressing themselves, asking questions and telling you about their needs.
- ✓ Provide your child with non-toy items at home to enhance imagination—a box, paper towel/toilet tissue rolls, craft sticks, nuts and bolts, seashells, colored scarves, etc.
- ✓ Take advantage of teachable moments. When you are feeling frustrated, excited, tired, etc. talk to your child about your feelings and what caused you to feel that way. Talk about the clouds in the sky, the color of the flowers, the ants on the ground, changes in the weather, the ingredients you need to make chocolate chip cookies. This not only develops verbal and communication skills; it also enhances reasoning and logical thinking skills.

Room and Teacher Assignment Policies

During the last week of July, you will receive your child's room and teacher assignment for the following school year through the U.S. Mail.

Due to overwhelming demand, Learning Pathways Preschool and Kindergarten consistently begins each school year at our full licensed capacity. Because we are fortunate to begin our year at full enrollment, we can consider all areas of development in assigning each of our students to classrooms. These areas are wide ranging, which include:

- chronological age
- small and gross motor skills
- social and emotional development
- cognitive skills
- communication ability
- focusing skills.

Each class is separated into three (3) "small groups", considering once again **all** areas of development. Small group lessons are conducted twice daily for 15-30 minutes (depending on age level), five days per week.

Through regular assessments and observations, your child may be moved within their classroom, as well as to other classrooms, to assure the highest level of success and confidence.

Unlike public schools, we teach to each child's individual abilities. The philosophy at Learning Pathways is that children should maintain a strong sense of self-confidence and self-esteem as they progress. If a child is moved ahead too quickly, the result is usually an unhappy, insecure, frustrated child that does not wish to attend school due to a developmental or ability level that does not match that of his or her classmates.

Please understand that we **will not** place your child into a classroom or small group that we feel is above or below their ability. In addition, a child **will not** be placed according to parents' preference or into a room that their child's "friends" are assigned to, as this is not a part of the criteria that we base room assignments.

As the days go by, it is our hope that you will obtain a level of respect and trust regarding the decisions and changes we make at our schools. They are always made in the best interest of your child.

Daily Arrival and Pick-up Routines

We begin our school day at 8AM. **The absolute latest a child should arrive at preschool is 8:45AM. Kindergarten begins at 8:30AM. Please try to be prompt.**

The early morning social interaction with classmates and teachers contributes to the evolution of your child's social/emotional skill development and is considered an important part of their school day.

When a child arrives late and school activities have already begun, not only will your child be missing out on valuable classroom lessons that you pay for, it is also disruptive to the classroom environment. It is difficult and awkward for a late-arriving child to transition into the ongoing activities.

Learning Pathways does not allow “drop-ins”. Unless you receive prior permission from a school administrator, your child will not be admitted if he or she arrives after 12PM.

Parents are required by the Department of Social Services and the Community Care Licensing Division of the State of California to sign their child both in and out of Learning Pathways preschool and kindergarten.

At Learning Pathways, we use a Facial Recognition program known as “Smile Me In”, in conjunction with a Personal Identification Number (PIN), for each parent/caregiver that uses the signing in and out process. Each parent/caregiver chooses their PIN which, in conjunction with “Smile Me In”, is used as a safe and secure means of signing your child in and out of our school. **Until further notice, we will require you use the available phone app “School Co” that links to “Smile Me In” to sign your child in and out.** The Smile Me In app confirms the caregiver's identity, and notes date and time. If the app recognizes the person, and the PIN is correct, the child is officially signed in or out by said person. Staff will not be allowed access to parents' PINs and they must be kept confidential. Your child must always be accompanied by an adult upon entering and leaving the school or a classroom.

A paper attendance roster is kept in each classroom as well. When your child enters his/her classroom, a teacher will place a check-mark next to your child's name in the appropriate box on the classroom's printed roster. When your child is checked out, a teacher will place another check-mark next to your child's name in the appropriate box on the classroom's printed roster.

Even though a paper trail of your child's attendance is also kept, you are still required to sign your child in and out electronically as agreed.

Tuition Rates / Extra Fees

The following rates and fees will be in effect August 18, 2021-July 29, 2022

PRESCHOOL PROGRAMS AND TUITION RATES

- Full Day x5 w/extended care* (5 days per week)..\$1,664 per month
- Full Day x5 (5 days per week, 8am-5pm)\$1,554 per month
- Full Day x4 (4 days per week, 8am-5pm)\$1,499 per month
- Full Day x3 (3 days per week, 8am-5pm)\$1,449 per month
- Half Day x5 (5 days per week, 8am-12pm)\$1,404 per month
- Half Day x4 (4 days per week, 8am-12pm)\$1,369 per month
- Half Day x3 (3 days per week, 8am-12pm)\$1,339 per month

KINDERGARTEN PROGRAMS AND TUITION RATES

- Full Day x5 w/extended care* (5 days per week)\$1,664 per month
- Full Day x5 (5 days per week, 8am-5pm)\$1,554 per month
- Regular School Day (5 days per week, 8am-3:30pm). \$1,509 per month

*Extended Care is defined as arrival before 8am and/or departure after 5pm.

Sibling Discount

Siblings of **currently enrolled** students receive a 5% discount off tuition.

Note: Unless you have made previous arrangements, **please do not “hang around”** with your child **after your agreed pick-up time.** Our staff hours are set according to the attendance ratio that we expect every day. If you remain on campus with your child longer than your **agreed contract hours**, our employees must remain as well.

Annual Fees

For the 2021-2022 school year, there will be an annual curriculum fee of \$400 and an annual PFC (Pathways to Fitness and Coordination) fee of \$275. These fees will be reflected on your first statement. For students starting November 1 or after, these fees will be pro-rated.

Tuition Policies/Program Changes/Term Modifications

Tuition is due on the first day of each month. Tuition may be paid by check, cash, credit card, electronic transfer, or through our preferred method of payment, “Tuition Express”. Information regarding “Tuition Express” is provided to all our clients. For students starting mid-month, tuition is due on the first day of attendance.

Learning Pathways is considered a year-round school. We will consider your child enrolled through the end of July unless the proper Withdrawal form is submitted at least 30 days prior to your child’s last day.

Late Payments / NSF Payments

A \$100.00 per day late fee will be added to your account if tuition fees are not paid by the 10th of the month. If the 10th of the month lies on a weekend or holiday, tuition must be paid no later than the next business day. If tuition has still not been paid by the 15th of the month, your account will be frozen, and your child will be withdrawn from Learning Pathways, unless previous arrangements **in writing** have been made with Mr. Todd or Mr. Wes.

If a check is returned due to insufficient funds, a \$30 fee will be applied to your account.

Early Drop-off and/or Late Pick-up

If you need to bring your child in earlier than your contracted hours or you are going to be picking up your child later than your contracted hours, please call the school as soon as you are aware that this will occur. An early arrival or late pick-up fee of **\$2.00 per minute** will be applied to your statement.

Hourly and Daily Rates

If given at least 24 hours’ notice, your child may attend over your contracted hours at the rate of \$25 per hour, or \$18 per half hour. For those enrolled in a 3 or 4 day per week program, you can elect to be charged our minimum daily rate if you require an extra day. In these cases, our minimum daily rates are as follows: \$130 per day for Full-Day with Extended Care. \$120 per day for Full-Day. \$75 per half-day.

Refunds

Tuition payments are non-refundable except in cases when enrollment is terminated by Learning Pathways. In cases of enrollment termination, clients will receive a prorated refund for previously paid tuition and fees.

There are no tuition refunds for mid-month withdrawals. If you withdraw your child mid-month, you are expected to pay the tuition for the entire month unless arrangements have been made otherwise.

Tuition will not be refunded if Learning Pathways is forced to close due to any reason beyond our control.

Remote Learning

If we are required to close for reasons beyond our control, “Remote Learning” will begin as soon as possible. You will be provided with weekly classroom supplies and curriculum, along with passwords to access live remote classroom sessions and recorded educational videos. Your monthly tuition will be reduced by 30% for the duration. Learning Pathways’ withdrawal and refund policies remain unchanged during remote learning.

Proration of Tuition/Fees

We do not pro-rate tuition or extra fees for partial months except in the case of a new student enrolling after the school year starts, or in cases of enrollment termination. For mid-month starts, your child’s first month’s tuition will be adjusted according to their start date. August is the only month in which tuition is automatically adjusted by 50%. **Unless arrangements have been made otherwise, if you withdraw your child mid-month, you are expected to pay the tuition for the entire month.**

Program changes

If you wish to change your child’s program status, we request a one (1) week notice if possible. Please notify us through email **or** fill out a “Program Change” form and place it in our “Completed Forms” basket. You are allowed up to two (2) program changes per school year (through July 30). Each program change must be in effect for a minimum of one month.

Program changes for New Enrollees

Your child will be placed in the program that you originally selected on your child’s enrollment application. If needed, you may change your child’s program as soon as six weeks after your child’s start date.

Withdrawal Policies

Withdrawing Your Child from Learning Pathways

If you wish to withdraw your child from Learning Pathways, we require that you give a **minimum one-month notice**. A **“Notice of Withdrawal” form must be completed, signed and submitted to officially withdraw**. If you withdraw your child mid-month, you are expected to pay the tuition for the entire month, unless previous arrangements have been made. We do not permit a **“Temporary Withdrawal”** from Learning Pathways, except for June-July (see “Summer Withdrawal” below).

If you need to withdraw your child from the school, but would like to return during the same school year, you must complete, sign, and submit, **at least 30 days prior**, a **“Notice of Withdrawal” form and** check the line at the bottom that says **“...you would like to return this school year.”** Your spot will then be offered to another child from our wait list, and your child will be placed near the top of our wait list. When you are ready to return, please notify us in writing, and your child will receive the next available spot for his/her age group.

Summer Withdrawal

You may withdraw your child for June-July and not lose your child’s spot for the beginning of the next school year in August.

Because Learning Pathways is a year-round school, we will consider your child enrolled through the end of July, unless you complete, sign, and submit the proper withdrawal form.

If you do NOT wish to have your child enrolled during the months of June and July, but you plan on returning in August, you may withdraw and still be guaranteed that a spot will be reserved for the beginning of the next school year. If you choose this option, your child’s spot will be given to an “early start” student from our wait list for the duration of the summer months (an early start student would normally start the following August, but if a space opens, they are awarded an early summer start during June-July). A **“Summer Withdrawal”** form must be completed, signed, and submitted at least 30 days before you wish to withdraw.

Note: For those parents who wish to keep their child enrolled for the first three days of June, your child may attend at our minimum daily rate of \$130 per day for the Full-Day with Extended Care program, or \$120 per day for Full-Day Programs, or \$75 per half-day. **For the 2021-2022 school year, this daily option is available ONLY from June 1 until June 3 and is not available at any other time of the year. If your child attends after the 3rd calendar day of June, you will be expected to pay for the entire month of June.**

Enrollment Policies / Extracurricular Classes

Required Forms for Attendance

For us to comply with California State Licensing requirements, all children enrolled in Learning Pathways must have the following forms on file with us:

- Signed Application
- Signed Parent Admission Agreement
- Identification and Emergency Information –
Note: Your child will not be released to anyone who is not authorized by you to pick him/her up. Anyone bringing your child to school or picking up your child must be at least 18 years of age.
- Consent for Emergency Medical Treatment
- Child's Preadmission Health History
- Physician's Report
- Immunization Record
- Notification of Parent's Rights
- Personal Rights
- Signed Enrollment Contract with \$500 advance tuition payment (required by Learning Pathways)

Toilet Training Requirement

Your child needs to be toilet trained before attending Learning Pathways. **Please remember that toilet training also consists of understanding proper wiping technique.** Your child's teacher will assist and coach your child if needed. We do not allow diapers or "pull-ups".

Priority Enrollment for the 2022-2023 school year will begin for our currently enrolled students AND their siblings on or before **February 1, 2022**. Existing clients will be asked to complete, sign, and submit a "Letter of Intent" form, along with a **non-refundable** \$500 advance tuition payment, **no later than February 28, 2022**. The \$500 non-refundable advance tuition payment will be applied to your August 2022 statement.

Open Enrollment begins for new applicants on **March 1, 2022**. Applicants from our wait list will be considered first, with priority given to Full-Day program applicants. For new clients, an "Enrollment Contract" and a **non-refundable** \$500 advance tuition payment must be submitted no later than two (2) weeks after the offer of acceptance. The \$500 advance tuition payment will be applied to your August 2022 statement, unless otherwise agreed.

Future Enrollment of Siblings

If you plan to enroll your child's younger siblings at a future date, we strongly recommend you submit a completed Enrollment Application for each of your younger children **as soon as possible**. Our youngest classrooms have an extensive wait list, and an Enrollment Application on file will better ensure that your children will have a spot when they are ready to start school. As a current or former client, you receive top enrollment priority, but we do ask that Enrollment Applications be submitted at least one year in advance of the desired start date.

Applications can be submitted in person or online through our website. **Current clients are not required to pay the \$40 application fee**. If you apply online, please disregard the automated email instructing you to pay the application fee.

Extracurricular Classes

Note: We will be unable to offer our extra-curricular programs until COVID-19 protocol restrictions have been lifted. We will notify all parents as soon as we are allowed to mix classrooms, or "cohorts", together for the extracurricular classes. At that time, enrollment forms for these classes will be emailed to all parents and will be available in our Main Office.

Extracurricular classes are scheduled during free choice or outside times so as to not conflict with academic lessons.

Term Modifications

If our tuition rates change or if there is any change within your contract or if any policy change is deemed necessary, you will be notified by email at least 30 days in advance of said changes. In addition, a printed notification letter will be placed in your child's class folder at least 30 days before said changes.

Celebrations, Field Trips, Transportation Policy, etc.

Celebrations

During the school year we celebrate holidays, accomplishments and special events. Dates will be posted in a timely manner and parents will be invited to participate.

Birthday celebrations will be held during the afternoon snack time. If you choose to bring a birthday treat to share with the children, we ask that store-bought food be provided.

Treat suggestions: yogurt popsicles, strawberries and whip cream, fruit kabobs, small cookies, small cupcakes.

Due to possible nut allergies, we ask parents to bring only nut free/store bought food for birthday celebrations or school activities.

We do want to recognize children's birthdays, but we ask that the celebrations be limited to a treat and the birthday song. **Please do not arrange to have piñatas, clowns, balloon animal makers, character impersonators, etc. for your child at our schools.**

Special Guests

Throughout the school year, we have special guests that visit our schools. We invite the folks from Happy Hollow, Native American Dancers, the snake and reptile man from "For Goodness Snakes, Mexican Heritage Dancers, the talented puppeteers from Fratello Marionettes, Hawaiian Dancers, and more. In addition, during the month of May (career days), we encourage parents to schedule a class or school visit and educate our students about their job or career.

Field Trips

Field trips are thoroughly and carefully planned. They are used to enrich and reinforce the curriculum. We will visit a local pumpkin patch and Happy Hollow Park & Zoo. For your child to participate in a field trip, a signed permission slip from you is required. To ensure the safety of every child participating in the field trip, we require that a parent or guardian accompany each child. Extended family members and siblings are welcome on all field trips. All staff members are required to attend field trips, so the school will be closed during field trips.

Transportation arrangements will be made for field trips far enough ahead so that parents and caregivers can be notified about the arrangements, about possible needed supervision, as well as any other important details. Transportation safety guidelines will be followed as required by California State Community Care Licensing.

Important Field Trip Day Reminders:

- Schools are closed during the day of and after we return from our field trips.
- You are not required to sign your child in on the days of a field trip.
- If you are choosing to ride with us on one of the chartered busses, please arrive at our school at least 15 minutes prior to bus departure.
- You are responsible for the care and supervision of your child before, during, and after all field trips.
- If your child needs to use one of our restrooms before or after a field trip, you are required to supervise them.
- On the days of our field trips, we will meet in front of our school and then proceed to the buses. If you plan on driving your child in your own car, we recommend you leave our school at the same time as the buses depart.
- We return to our schools in the late afternoon after our field trips and Learning Pathways will not be open on those days after field trips. Please plan accordingly.
- If you and your child is not going on our field trip, please make other arrangements for their care on that day.

Transportation Policy

Learning Pathways does not provide transportation except for the two field trips described above. At least two weeks prior to these field trips, parents must submit a signed form (provided by Learning Pathways) if they plan on traveling on buses hired by us through a local bus company (Durham Bus or San Jose Charter). Each child that travels on a field trip bus is required to be accompanied and directly supervised by a parent or guardian.

School Website and Facebook Page

School activities and events are photographed and occasionally published on our website, our Facebook page, and Instagram. If you do NOT wish to have your child's image shown on these online sites, please check the appropriate box on your Parent Admission Agreement.

School and classroom photos can also be viewed throughout the school year on your "School-Co" phone app.

Sharing Day

On every Friday, unless otherwise noted, we will have sharing day throughout the school. This activity enhances language and social interaction. Items or experiences related to classroom activities or themes, items from the natural environment, and family photos are ideal for this activity. **On days other than sharing days, we ask that children please leave their toys at home.**

Dressing for School

At Learning Pathways, children will be involved in many kinds of fun and exciting activities, which will sometimes be messy. Your child's clothing may become splattered with paint, glue, or other art mediums. Think of your child's comfort and provide simple clothing that is free of complicated fastenings. Open toe shoes or sandals are not recommended since children will be involved in activities that may be physically active such as running or climbing.

Please provide at least two (2) extra sets of clothing, including socks and shoes, to be kept at school.

Write your child's name on **EVERYTHING** he or she wears or brings to school. Unidentified clothing and toys are donated to local charities in December and August.

Yearbooks

Our annual yearbook is printed and distributed around the end of June. The price of the yearbook is \$50 for pre-orders and can be ordered as early as March 1. Without a pre-order, the price of the yearbook increases to \$60. Order slips will be distributed to all parents.

If you do **not** want your child's image shown in our yearbook, please check the appropriate box on your Parent Admission Agreement.

Food Service Policies

Food Allergies

Clearly specify any food allergies your child has.

Peanut/Nut Policy

Due to the increasing number of children who have life threatening allergies to peanuts, we will not serve any food containing peanuts. Children with nut allergies may be asked to eat at a separate table during lunch time.

Food Service Provisions

Breakfast is provided at no charge to our Extended Care program children and is served from 6:30AM until 8:00AM. No exceptions will be made.

Morning and afternoon snack are provided at no extra charge for all Full-Day program students. Morning snacks are provided to Half-Day program students.

For the Full-Day program students enrolled at Learning Pathways, we offer prepared hot or cold lunches for \$5.50. These lunches are ordered from, prepared, and delivered by the Cambrian School District main kitchen. Teachers will serve them to your child. Order slips, menus, and ordering instructions can be found in the Main Office. **Lunch orders for the next day should be placed no later than 6PM on the day before.**

Parents that opt to bring their child a lunch from home should put the food in containers that your child can open by him/herself. Your child will be assisted if necessary. Plastic utensils and napkins will be provided if needed.

We will not microwave your child's food. If you would like to bring food that stays hot, please heat it at home before coming to school and then put it into a wide mouthed thermos. The food will be the proper temperature by lunch.

To eliminate garbage please try to put food items in containers that can be reused.

Illness Policies

Learning Pathways reserves the right to temporarily deny any child admittance to the school for reasons of obvious illness, or to request early departure should symptoms become apparent during the school day. Any child who seems unable to participate in school activities due to poor health will be sent home. For the health and well-being of the children in our care, and our staff, we feel it is vital to maintain a strict wellness policy. We ask for parents to assist by keeping sick children at home. We will take into consideration your physician's recommendations, but it is up to our discretion when your child may return to school.

If a child becomes ill at school, or head lice/eggs have been observed, a staff member will contact the parent immediately. If a parent cannot be reached, the adult listed on the emergency card will be contacted. If the teacher is unable to contact anyone listed on the emergency card, the child will be cared for away from other children until the parents are contacted and the child is picked up from the school.

When a child may not attend school

- **Fever:** You will be contacted if your child's temperature is 100.0 or higher. You will be requested to take your child home and keep him/her home for the next 24 hours for observation. Children must be free of fever (any temperature above 98.6 degrees) for at least 24 hours **without the use of fever reducing medication**. The same policy applies if your child develops a fever at home.
- **Rash:** Any rash other than a common diaper rash or skin irritation will require that child to be sent home for an evaluation and diagnosis from their doctor in writing of exactly what it is. They may return to school based on that written doctor's evaluation, and clearance that it is not contagious.
- **Conjunctivitis (pink eye):** Children will be sent home if there appears to be an unusual amount of discharge from or irritation to their eye(s) and must stay home the next day for observation. If your child does not have "pink eye", they will need an evaluation and diagnosis from their doctor in writing of exactly what it is before they can return to school.

If the diagnosis is "bacterial" conjunctivitis, children must have received at least 24 hours of treatment. If the diagnosis is "viral" conjunctivitis, your child may return if there is no discharge.

- **Thick White, Green or Yellow Discharge:** Children will be sent home if they appear to have any thick white, green, or yellow discharge. This is often indicative of an infection and they must stay home the next day for observation. Before returning to school they will need an evaluation and diagnosis from their doctor in writing and at least 24 hours of treatment. If they do not have an infection, we need a doctor's note with a diagnosis of exactly what it is with a clearance that it is not contagious. The Department of Health and most doctors believe once a child is on antibiotics for 24 hours, the discharge is no longer contagious even though it may persist for up to two weeks.
- **Diarrhea:** Children will be sent home if they have two or more loose bowel movements in one day and must stay home the next day for observation. Before returning to school (after the day of observation), children must be free from diarrhea for 24 hours with at least one (1) regular bowel movement. If your child has one or more loose bowel movements on their first day back, they will be sent home again.
- **Vomiting:** Children will be sent home if they vomit and must stay home the next day for observation. Before returning to school (after the day of observation), children must be symptom free with no vomiting for at least 24 hours.
- **Persistent Hacking Cough:** Children will be sent home if they have a persistent hacking cough and must stay home the next day for observation. Before returning to school they will need an evaluation and diagnosis from their doctor in writing and at least 24 hours of treatment. If they do not require any treatment, we need a doctor's note with a diagnosis of exactly what it is with a clearance that it is not contagious.
- **Lice:** Children will not be readmitted until 24 hours after treatment and must be nit free. The Director or a Lead Teacher will make an evaluation to determine if the child can be readmitted.
- **Common Cold Policy:** Children suffering from a common cold will be assessed on an individual basis. Factors of consideration include the developmental level of your child in congruence with our ability to limit the spread of germs. For example: hand to face contact, mouthing of toys, uncontrolled nasal discharge, uncovered sneezing and coughing, etc.

Medication Administration Policies

Medications, both prescription and over the counter, are rarely given at school; the only exceptions involve special or serious problems where it deemed necessary by the physician that the medication be given during school hours. The parent is urged, with the help of your child's physician, to work out a schedule of giving medication at home, outside school hours whenever possible.

Medications will not be administered at the center unless accompanied by a doctor's authorization, with written approval and instructions from a child's parent/guardian. The proper form, as required by California Community Care Licensing, must also be completed and submitted.

Each child's medication is kept in an individual locked medical bag. As medicine reaches its expiration date, it will be returned to the parent.

If medication is to be administered at school, all the following conditions must be met:

- A signed request from a licensed physician/dentist specifying the condition for which the medication is to be given, the name, dosage, route, side effect and specific instructions for emergency treatment must be on file at school. School staff is not authorized to determine when an "as needed" medication is to be given.
- Specific instructions are necessary.
- A signed request from the parent/guardian must be on file at school.
- Medication must be in your child's original, labeled pharmacy container written in English.
- All liquid medication must be accompanied by an appropriate measuring device.
- A separate form is required for each medication.

Sunscreen application

Learning Pathways' staff will not apply sunscreen. Please apply prior to arrival if so desired.

Injuries, Naps, and Assessments

Child Injuries and Accident Reports

If your child is hurt at school, a teacher will administer minor first aid. An accident report will be completed, and you will receive a copy when you pick up the child. If possible, the teacher(s) aware of the incident will discuss the incident with you when you arrive to pick up your child.

If your child needs further medical assistance and/or has an injury to the head, a teacher will contact you immediately to inform you of the incident and/or recommend that your child be seen by a physician.

In cases of emergency, where critical medical assistance is needed, your child will be transported to a medical facility by ambulance, accompanied by a teacher. You will be notified immediately if such an incident occurs.

If there are any changes to contact information while your child is attending, please remember to update your child's Emergency Card.

Nap Time

In accordance with California State licensing requirements, all **preschool** children will be given the opportunity to nap or rest without distraction or disturbances from other activities in the classroom. Children will not be forced to sleep but will be encouraged to lie down and rest on a cot. We supply a cot and a sheet for each child. Please provide a blanket for your child. We ask that the blanket be small enough for your child to carry and learn to fold by him/herself. To ensure that your child has clean bedding, it is necessary that the blanket is taken home every Friday to be washed.

Pillows are not encouraged due to health concerns.

Assessments and Conferences

There are three (3) assessments per year. The first assessment is done during the first week of attendance to inform the teachers of where to begin with your child. The second assessment will demonstrate your child's progress and will target strengths, along with concepts we still need to work on. The results from the second assessment will be provided to you through email. If you have questions or concerns at that time, you are welcome to schedule a meeting with your child's small group teacher.

The third assessment takes place in mid to late May (see Important Dates at the end of this Handbook), and you will be invited to participate in a Parent/Teacher conference to review your child's progress and classroom experience. We devote the entire day for this conference. This day is considered a **Student Non-attendance** day.

Discipline Policies and Enrollment Termination

Please be aware that children at this young age are learning to navigate their social skills. Conflicts will arise between them on occasion and one of our goals is to help them resolve these problems so that eventually they will be able to use their own logic and reasoning to problem-solve independently.

One of our goals is that children become independent, confident and develop self-regulation. Our curriculum includes strategies that help children develop self-esteem and build self-control. We do not believe that time-outs are effective. Instead we are pro-active, discussing solutions and problems before they occur. The staff will not use physical, verbal, or emotional abuse as a form of discipline. We will use positive reinforcement when discipline matters occur.

If your child is exhibiting challenging behavior, we will request that you come in to discuss our concerns and develop a plan of action. In exceptional cases, in which we feel that our program does not meet the needs of your child, his/her enrollment will be terminated. A 2-week time frame will be given at this time to support you and your child during the transition.

We believe that all children should be treated fairly, respectfully, and be provided a safe, secure, caring and nurturing environment. If your child's behavior consistently causes an unsafe environment in our classroom, actions will be implemented in the following order:

1. You will be contacted and/or spoken to in person.
2. Written concerns will be addressed, and a plan of action will be developed during a scheduled meeting with teachers and parents.
3. Your child will be required to have one (1) day of non-attendance.
4. Your child's enrollment is terminated.
5. You will be mailed a prorated refund for previously paid tuition and fees.

Average Learning Pathways Preschool daily schedule

Schedules are posted in each classroom. They are considered flexible and may change in accordance with the needs and interests of the children.

- 6:30-8:00 Arrival and Greeting of Extended Care Children, Health Check, All Centers Open, Planning and Preparation Time, Facility Inspection, Activity on one table.

- 4:00-4:30 Free Choice Time, Art/Craft Activities
- 4:30-5:00 Clean Up, Music, Story Time, Review Day's Activities
- 5:00-6:00 Quiet Activities or Outside Time

IMPORTANT ADDITIONAL NOTES

From the moment you sign out your child from our school, you are responsible for his/her safety and actions. Please be aware of where your child is during this time. Do not allow your child to enter a school classroom or bathroom without you.

Children will only be released to authorized adults who have been identified on the Child Emergency Card and who are at least 18 years of age.

Please maintain current names, addresses, and telephone numbers of all individuals authorized to drop off and pick up your child.

If your child will be absent for any reason, please call or email the school to report your child's absence whenever your child will not attend on his/her scheduled days.

“Important Dates” are noted at the end of this Parent Handbook. Please post these dates in a conspicuous location at your home. We strongly recommend you plan for school closures and special events.

Activities, dates, and school policies may be changed in accordance with proper COVID-19 protocol. Notifications of any necessary changes will be emailed to parents as soon as possible.

Important Dates for 2021

August 2-August 17: Schools Closed.

August 17: Parents Only Parent Orientation for parents/guardians from both campuses. The Orientation will take place in building #7 located at our Cambrian Park campus. 4PM-6PM. Please be prompt.

August 18: Willow Glen campus First Day of School

August 19: Cambrian Park campus First Day of School

September 6: Labor Day – Schools are Closed

October date TBA – Pumpkin patch field trip for both schools –

October 26: Willow Glen campus Halloween Parade & Party, 4PM

October 27: Cambrian Park campus Halloween Parade & Party, 4PM

October 28: Willow Glen Halloween Pajama/Popcorn/Movie Day.

October 29: Cambrian Park Halloween Pajama/Popcorn/Movie Day.

November 11: Veterans Day recognition – Schools are Closed

November 24: Half Day, Schools Close at 1PM

November 25-26: Thanksgiving Holiday – Schools are Closed
